

Monroe County Volunteer Firemen's Association

2019 Dues Notice

February 1, 2019

Dear Member Organization,

Established in 1930, the MCVFA is a non-profit organization working to support the interests of volunteer firefighters in Monroe County. Through the use of meetings, training events, recreational activities and participation in various legislative activities, we help to advance the safety, interests and concerns of our members.

Acting as a public face for volunteer firefighters, the MCVFA sponsors activities including the Annual Fire/Burn Prevention Essay contest conducted in schools throughout Monroe County and participation in the Health Fair held at the RIT Convention Center in October.

We are looking to increase our membership and are actively seeking members to participate in the various committees in the Association. We invite your members to come to a general meeting to learn more about activities and opportunities within our organization. A list of the active committees are viewable on the MCVFA website.

General Membership Meetings for 2019 are:

- February 28, 2019 @ the PSTF
- June 27, 2019 @ TBA
- October 30, 2019 @ Rush Fire Department

Enclosed you will find your 2018 membership list (if you submitted one), a membership form for your department, and an overview of our next General Membership Meeting. The cost of individual membership is only \$2.00 per year, per member. The organization cost is only \$10.00.

We ask that you mention our February meeting to your membership, post the meeting flyer on your activity board, and complete & return the enclosed forms (*return address on dues form*). If you wish to have additional copies of the forms, they are available on the MCVFA website, (MCVFA.com).
