

Monroe County Volunteer Firemen's Association

2022 Dues Notice

March 2022,

Dear Monroe County Fire Organization,

Established in 1930, the MCVFA is a non-profit organization working to support the interests of volunteer fire-fighters in Monroe County. Through regular meetings, training events, recreational activities and participation in various legislative efforts, we work to advance the safety, interests and concerns of our members.

The past few years have been difficult for organizations such as ours, the pandemic effectively hampering or canceling most planned activities. Due to COVID rules concerning gatherings, we were constrained in the number of meetings and the amount of direct contact with our membership. Now that many of the restrictions have been lifted, we are anxious for more interactive events with our members.

This year the MCVFA will be hosting various evening training seminars in addition to our regular membership meetings. We are once again planning (barring any new outbreaks) to host our 1st Annual Water ball Tournament & Picnic in August (more information to come). We participate in many activities and programs for the public, too. Some of our most established events include the annual fire prevention essay contest for area schools and the Educational Health Fair for Seniors at the RIT Convention Center. We will also be working with the County and State on Recruitment and Retention programs for our area departments to help maintain volunteer firefighting in Monroe County.

To make the organization thrive and be successful we need the help and participation of our members. We are looking to increase our numbers and are actively seeking members to participate in the various committees in the Association. We invite your members to come to a general meeting to learn more about activities and opportunities within our organization. A list of the active committees is viewable on the MCVFA website.

The cost of individual membership is only \$2.00 per year, per member. The organization cost is only \$10.00. If you have any questions, please contact Christopher Dunn at mcvfa.ny@gmail.com

Thank you,

Christopher Dunn
Past President / Membership Secretary MCVFA
